PAWAT ATTASAMPUNA

COMPUTER ENGINEERING

ABOUT ME

I am a recent graduate with a Bachelor's degree in Computer Engineering from the Faculty of Engineering, Kasetsart University. Throughout my four years of study, i have learned various basic programming skills such as C++, JavaScript, Python, PHP, MySQL, etc., i have to keen interest in web development, both backend and frontend. i completed my final project in this field, and I'm always ready to learn new things.

Experience

2024
KASETSART CUSTUM GPT

- use Flask to display questions and answers obtained from the Question and Answer - KU - Model, and I use Firebase firestore as a database to store the data.
- Creating a pretrained model in both text-generation and question-answering formats using data or problems collected from students, with the utilization of WangchanBERTa for word embedding conversion and classification.

2023
Ev plus (App for search Charge station EV car)

- Use React Native to develop mobile application for user, customer.
- In the mobile application, users can view maps, set routes to desired destinations, communicate with service providers, and buy/sell products through the application.
- Use React to develop web application for customer and admin.
- In the customer section of the web application, users can customize product information and product details.
- Use File Base for store data from customer and user such as billing.

2022
T-Shirt Shopping Web application

- use PHP to make web application
- In the web application, users can buy and sell products, choose product categories, and filter products as desired.
- use MySQL to make database
- In MySQL, data about products and data about transactions (buying/selling) are stored.

Thai

Soft Skills

- Critical Thinking
- Creative Promblem Solving
- Emotional Intelligence
- Adaptability and Flexibility
- Cultural Intelligence and Diversity Consciousness

Hard Skills

- C/C++
- React/React-native
- Python
- PHP
- HTML && CSS
- JavaScript
- Firebase
- Microsoft Office

Education

Kasetsart University Sriracha Campus, Chonburi
Faculty of Computer Engineering
2020 - 2024
GPA : 3.02

Saraburiwittayakhom School, Saraburi
2014 - 2019
GPA : 3.27
